**MEMORANDUM FOR PROSPECTIVE STUDENTS**

**SUBJECT: Student Welcome Packet, Primary Leadership Development Course (PLDC)**

**1. Welcome to the SSG John W. Kreckel Noncommissioned Officers Academy, Primary Leadership Development Course. This student guide will give you an overview of what to expect while attending PLDC. I have included prescribed policies, objectives and procedures for all students to follow while attending PLDC.**

**2. This course is non-MOS specific, taught in a live-in environment using classroom instruction with practical application, followed by hands-on, performance-oriented training conducted in a field training environment, culminating with an extensive (30 hour) situational field training exercise (STX). The Small Group Leaders (SGLs) will assess the students' leadership potential and evaluate their ability to apply lessons learned and effectively lead their classmates in a tactical environment.**

**3. To become effective leaders, you must first obtain knowledge and develop the self confidence to accomplish any task or mission. You must wear the uniform with strict attention to detail and reflect a positive, professional image. We will place you in these conditions daily. It is your responsibility to achieve and maintain these standards.**

**4. The objectives of the PLDC are to graduate students who:**

- a. Are technically and tactically proficient**
- b. Make sound decisions**
- c. Plan correctly**
- d. Follow the professional Army ethic**
- e. Communicate effectively**
- f. Teach and counsel**
- g. Apply soldier-team development**

**5. Section 1, General Information, outlines the course prerequisites all soldiers must meet prior to enrollment. Additionally, I have included the course graduation requirements. Pay particular attention to these documents. Meeting these prerequisites and requirements will ensure your success at PLDC.**

**6. The entire Academy staff and cadre join me in wishing you success during your attendance at the Primary Leadership Development Course. You will find your time at the Academy personally challenging and professionally rewarding.**

**THOMAS R. WOODHAMS  
CSM, USA  
Commandant**

## FORWARD

**This student guide will assist you while preparing for, and attending the John W. Kreckel Noncommissioned Officer Academy. Each policy and procedure is based on Army regulation and strictly enforced. Personnel attending the NCO Academy MUST read this Student Guide as soon as possible after selection for attendance. Each student must read and comply with the contents of this guide. Students are subject to the policies of this academy as published by the Commandant. Failure to read and comply with the contents may result in adverse counseling and can constitute grounds for a motivational or disciplinary release.**

## **Soldier's Creed**

**I am an American Soldier. I am a member of the United States Army -- a protector of the greatest nation on earth. Because I am proud of the uniform I wear, I will always act in ways creditable to the military service and the nation it is sworn to guard.**

**I am proud of my own organization. I will do all I can to make it the finest unit in the Army. I will be loyal to those under whom I serve. I will do my full part to carry out orders and instructions given to me or my unit.**

**As a soldier, I realize that I am a member of a time-honored profession--which I am doing my share to keep alive the principles of freedom for which my country stands. No matter what the situation I am in, I will never do anything, for pleasure, profit, or personal safety, which will disgrace my uniform, my unit, or my country. I will use every means I have, even beyond the line of duty, to restrain my Army comrades from actions disgraceful to themselves and to the uniform.**

**I am proud of my country and its flag. I will try to make the people of this nation proud of the service I represent, for I am an American Soldier.**

## CREED OF THE NONCOMMISSIONED OFFICER

**No** one is more professional than I. I am a Noncommissioned Officer, a leader of soldiers. As a Noncommissioned Officer, I realize that I am a member of a time honored corps, which is known as "The Backbone of the Army." I am proud of the Corps of Noncommissioned Officers and will at all times conduct myself so as to bring credit upon the Corps, the Military Service and my country regardless of the situation in which I find myself. I will not use my grade or position to attain pleasure, profit, or personal safety.

**C**ompetence is my watchword. My two basic responsibilities will always be uppermost in my mind-- accomplishment of my mission and the welfare of my soldiers. I will strive to remain tactically and technically proficient. I am aware of my role as a Noncommissioned Officer. I will fulfill my responsibilities inherent in that role. All soldiers are entitled to outstanding leadership; I will provide that leadership. I know my soldiers and I will always place their needs above my own. I will communicate consistently with my soldiers and never leave them uninformed. I will be fair and impartial when recommending both rewards and punishment.

**O**fficers of my unit will have maximum time to accomplish their duties; they will not have to accomplish mine. I will earn their respect and confidence as well as that of my soldiers. I will be loyal to those with whom I serve; seniors, peers and subordinates alike. I will exercise initiative by taking appropriate action in the absence of orders. I will not compromise my integrity, nor my moral courage. I will not forget, nor will I allow my comrades to forget that we are professionals, Noncommissioned Officers,... leaders!

### **Screaming Eagle Song**

**We have a rendezvous with destiny.  
Our strength and courage strikes the spark  
That will always make men free.  
Assault right down through the skies of blue;  
Keep your eyes on the job to be done.  
We're the soldiers of the hundred-first;  
We'll fight 'til the battle's won!**

### **The Army Song**

**First to fight for the right,  
And to build the nation's might,  
And the Army goes rolling along.  
Proud of all we have done,  
Fighting 'til the battle's won,  
And the Army goes rolling along.  
Then it's Hi! Hi! Hey! The Army's on its way.  
Count off the cadence loud and strong!  
For where we go, You will always know  
That The Army goes rolling along.**

**SECTION ONE: GENERAL POLICIES/ PROCEDURES**

**1. PURPOSE:** This section outlines general policies of the Academy and explains the standards of behavior, conduct and performance expected of students

**2. GENERAL:** To develop a sense of responsibility, all students are managed as Noncommissioned Officers. The program is designed to test each student, every day on all aspects of performance. Students organize teams, squads, platoons and themselves to carry out assigned tasks to the highest standards. The goal is excellence and all students are expected to strive to meet this goal.

**THE HONOR CODE**

Honor is the guiding principle of every endeavor involving the profession of the Army. Integrity is a basic attribute demanded of every Non Commissioned Officer. This personal quality requires, among other things, that "Your work must be your own." Examinations and performance oriented training evaluations are given throughout the course. Each individual student prepares presentations. This work is evaluated based on individual effort. Each student's work will be entirely original in every manner. The copying of another student's work violates the intent of the Honor Code. Students are encouraged to work together, utilizing the team concept; however, the final result will be original.

The honor system does not cease with academic honor and integrity. It also applies to the observance and adherence to rules, regulations and policies. To knowingly violate a rule, regulation or policy whether or not this violation is discovered, is a discredit to you own word of honor. It is your responsibility as a student and as a Non Commissioned Officer to report violations of rules, regulations and policies immediately to the chain of command. Failure to do so is a violation of the Honor Code and is grounds for dismissal.

  - (4) **All other SPC/CPL (P) on a recommended list based on the highest number of promotion points.**
